

ASSESSMENT

IMPLEMENTATION GUIDE

Digital Assessment Instructions for Parishes with Portal Trackability

- Students can access assessments at any time within the Student Portal and will be prompted to complete the Digital Assessment at the end of each chapter within the digital text.
- Catechists do **not** need to send assessment links for students to access them.
- Students may *retake* a digital assessment **one additional time**.
- Assessments remain available throughout the academic year.

Sharing Assessments Through Messages

Catechists may choose to send assessment links to students and parents as reminders.

How to Share a Digital Assessment

- Step 1 Open the Teacher-Catechist Portal.
- Step 2 Expand the **Resources by Type** drop down menu on the left.
- Step 3 Click **Assessments: Digital**
- Step 4 Locate the assessment you want to share.
- Step 5 Click the  on the assessment.
- Step 6 Create a new message.
The assessment link will automatically appear in the message.
- Step 7 Send the message to the class.
Parents and students will receive a notification in the Student-Parent Portal.

Additional Notes

- Printable PDFs and answer keys are available in the portal.
- Assessment content comes directly from:
 - Student lessons
 - Chapter review activities
- To help students grow in understanding, use these learning tools:
 - Discussion
 - Reflection questions
 - Activities
 - Assessments
